*Monthly tuition payments are based on a twelve month payment period (July 2020 - June 2021). When students enroll after the start of tuition payments in July, tuition will be divided among the remaining months of the twelve month plan. **If a student withdraws from school before the end of the year, tuition is due for the months attended or partial month PLUS one additional month. For this calculation, tuition will be divided by nine months to determine the actual cost per month.**

*A \$15.00 Supply Fee will be charged to all preschool students in September, December and March.
