

Southside Christian School

Love one another as we serve

Dear Southside Families,

We are excited to launch our annual Care-A-Thon! This is our chance to make an impact in our community by demonstrating love and kindness by serving others. Our goal for this fundraiser is \$45,000 and **we need your help to make this successful!**

Funds raised from this fundraiser impact **ALL** students at the school preschool-8th grade. Funds from our last care-a-thon allowed us to assist with tuition for all qualifying families, install new flooring in several areas throughout the school, purchase fresh playground bark, new curriculum for our music program and give the teachers a raise!

How does the Care-A-Thon work? What do I need to do?

First step - Acts of Service: Please brainstorm ideas with your student on how they can show love to others through acts of service. Students will also be doing an act of love as a class with their teacher.

Second step - Set Up Student Online Donation Page: You should have received an email from us through Jupiter inviting you to set up your online donation page. Follow the instructions in the email. If you have any questions or problems, please contact Marie Darling at darling@southsidechristianschool.org

Third step - Seek Pledges: Students will seek pledges for their acts of service. These can be local pledges or from anywhere around the world. You can send your family and friends your student donation page that you created in step 2 or use our generic link to donate from anywhere! You can also use the paper version included in this packet. Turn in your donor pledge form & money collected by September 30th. **You do not need to write your online donations on the form.**

Fourth step - Complete the acts of service: Each class will be doing an act of love as a class. Please make necessary arrangements for your student to be successful in completing their service plan that you made as a family.

Prizes:

Individual Prizes: The first \$50 brought in or donated online, the student will receive a lanyard with a keychain. For each additional \$50, students will earn a keychain.

Class Prize: For each class that reaches their class goal, they will earn celebration party such as root beer floats or ice cream sundaes

School Prize: The class that brings in the most amount of money proportionally to the number of students will get to duct tape Mrs. Downs to the playground.

Which class will duct tape Mrs. Downs to the play ground this year?

For any questions regarding this fundraiser, please contact Marie Darling at darling@southsidechristianschool.org
