My favorite memory from this summer was spending time at the lake with my family. We swam, hiked, picked huckleberries, went biking and saw lots of beautiful stars. I hope you had an amazing summer, and I can't wait to hear about all the fun you had.

Welcome to 2nd grade!

I am SO excited to be your teacher this year! This will be my sixth year as a teacher. I grew up here in Spokane and I am married to my husband, Derek, and we have two wonderful kids, along with our dog named Bae. She is with me below. ☺ I love to be outside exploring, running, crafting, baking and spending time with my family.

I hope you are excited about second grade! In second grade, we are going to be reading some amazing books, solving all kinds of math problems, writing and illustrating like real authors and along the way dancing, singing, laughing and having a great time together.

This year will be full of so many fun experiences. I'm so excited to get to know each one of YOU. We will have so much fun together and learn A LOT!
