Tuition may be paid in full by the first day of July or in ten monthly installments. If you choose to pay in full by July 1, you will receive a 2% discount. If you choose to pay monthly, payments will be made over 10 months beginning in July. Payments will be made through an automated payment system, Tuition Express. Tuition will be withdrawn from your bank account on the 5th or 16th of each month. Monthly reminder statements are NOT sent out. A \$15.00 non-sufficient funds fee will be assessed for all returned checks or automated payments. Southside Christian School sets the budget and hires teachers based on these agreements. However, if a student withdraws from Southside prior to the end of the school year, tuition is due for all full or partial months of school attended PLUS one additional month; pre-paid tuition in excess of that amount will be refunded. No refunds can be made for registration fees.

Refunds are not made for vacations, trips or illness. Tuition discounts apply only to tuition. There are no discounts given on registration fees. Full time pastors of local Christian churches can receive a 25% discount for their children. A letter must be supplied annually to the school on church letterhead and must be received to apply this discount. Families with multiple children attending Southside Christian School may apply for a sibling discount. Tuition for the oldest child is full tuition; the 2nd child can receive a 5% tuition discount and a 10% discount for every child thereafter. Parents must request this discount in writing. If the discount is not requested in writing, the school will assume that you are gifting your discount. This will be a tax deductible donation.

***Please Note:** Our school is not equipped or staffed to handle significant emotional or behavioral disabilities. If a child is unable to control his or her behavior or causes a threat or danger to other children, the child will be dismissed from the program.
