**ASB SPIRIT DAY**

Thursday, February 14th

Dress like twins, triplets, quadruplets!

Dress like your best friend, your classmates, your teacher!

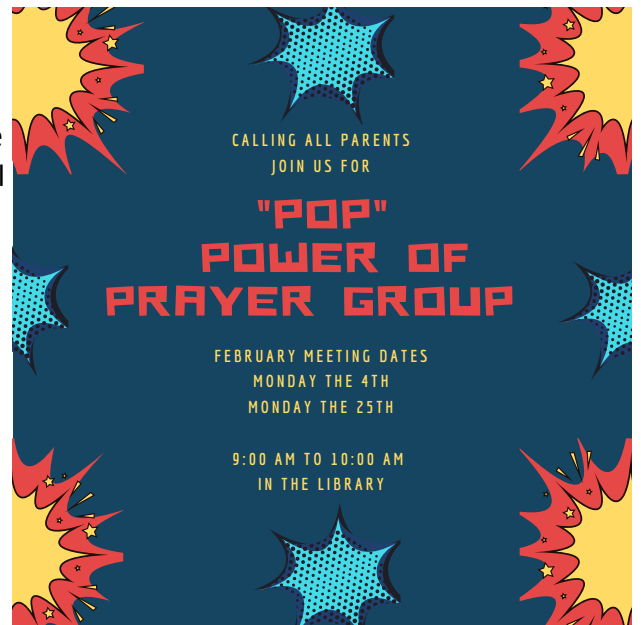

Just dress to match someone else!

January has been tons of fun for PE and our sports program. PE students had the opportunity to explore various types of body movement in relation to game play while playing basketball related games. This year we have been blessed to have enough kids interested in basketball to have two teams! One of our teams is undefeated and looks like they will be able to defend last years championship. Our other team is younger and less experienced but they are having a great time on their quest for a win. The basketball tournament is on Monday February 18 at The Hub in Spokane Valley. Our players would love the encouragement of their fans. Go Lions!

Future school sports are Track (April/May), and Softball (April/May). We are in need of coaches for both of these sports. If you are interested in blessing our athletes with your coaching abilities, please let me know.

Students are graded in PE on their Attitude, Effort and Participation. Please remember to send your student to school on PE days with appropriate shoes. With the weather wet and cold, its easy to forget PE shoes on PE days. Some kids leave PE shoes at school so as not to forget on PE days. Students that do not have appropriate shoes will be marked down as not participating. Its important to wear good shoes for running and change of direction. Inappropriate shoes can cause a hazard for self and others.

PE Teacher/Athletic Director
